All guest passes, single or group, must be purchased by a club member from the concession stand at the pool. In order for the guest pass to be used for entrance to the pool, the lot owner's card must also be shown to the life guard at the concession stand. The lot owner may accompany the guest and show the lot owner's card or the guest may present the pass along with the matching lot owner card.

WATER AEROBICS!

Water aerobics has started! With the summer heat, this is a great way to stay comfortable during your workout. The schedule through July will be 10-11 a.m. on Monday, Wednesday, and Friday, and 6-7 p.m. on Tuesday and Thursday. There will also be some Saturday classes from 11 a.m. - noon - please check the schedule at the pool for these sessions. In August the classes will be in the evenings, and the schedule will be posted at the pool. We'll have both shallow and deep water classes, though the morning sessions are usually shallow water. If your feet tend to slip on the pool bottom, consider getting a pair of water shoes to wear for the shallow water sessions. You don't have to know how to swim or have already taken water aerobics classes. The club provides the resistance barbells and flotation belts (for deep water). Age of attendees has ranged from early twenties to 65+ years. This is a fun way to meet new friends, and we have monthly pitch-in dinners on the patio after class. These classes are free to members and their guests, and no registration is needed. For those of you with Fit Bits and other devices, depending on your effort, one hour of water aerobics can equal 2000-3500 steps! Come as often as you would like to do so, and we hope to see you there.
