## MEMBERSHIP DUES 2021

Letters regarding membership dues will be mailed in the coming weeks. Be sure to pay your dues BEFORE the pool season's opening. Failure to pay in a timely fashion will delay the process of getting your pool passes in time for opening day.

To expedite the process, you can pay your dues online. Check the [website](#) on how to pay online. Information will be posted soon.

For questions or concerns regarding your dues or pool passes, please reach out to Max Scholz.

If you are a homeowner that is not part of the Carefree Club Membership and would like to be, please reach out to Nathaniel Tempest, Corporate Secretary for the Carefree Club.

Non-members who want to check out the Carefree Facilities BEFORE committing to membership can reach out to Max Scholz for more information.

# PRESIDENT OF THE BOARD MAXIMILLIAN SCHOLZ

Wait, its time for me to write for the newsletter again... didn't we just send one out?

First quarter of 2021 is wrapping up! Thankfully, it looks like this year isn't a repeat of last year and our "new normal" looks to return to the "old normal" rather quickly. Big events were an absolute dumping of snow and the big rollout of COVID-19 vaccines. Locked down because of a snow storm is much more cheery than locked down due to a virus.

First, I would like to personally thank three outgoing Carefree Club Board members for their years of service and dedication to the Carefree Club. In their dedication to the Carefree Club, Sandra Carrasquilo, Jess Carrasquilo, and Robert Jacobson gave their time, sweat, and care to make this neighborhood a better place. An example for us all to follow!

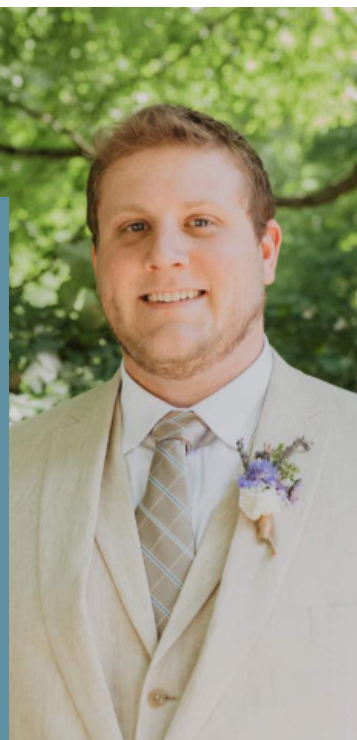

In that same vein, the Board is always looking for volunteers for Committees and candidates for the Board. If you want to jump right in, submit your name to the Board to run for a Board position. If you'd rather dip a toe in, volunteer some time, and meet some spectacular people who make our neighborhood the special place it is, ask about our Committee positions. Openings to be posted soon!

As for our ongoing projects, activities is still firing on all cylinders. Join the Carefree Club Facebook Group to see more of their fantastic work and stay up to date with all of the fun plans and food trucks that are planned.

Finally, with COVID seemingly in the rearview mirror, the Club hopes that the pool will be able to go back to regular operation. The pool is scheduled to open during Memorial Day weekend! The Club will of course provide updates as the situation evolves and as we close in on Opening Day, but with the progress that has been made on the COVID front I'm extremely optimistic! Furthermore, we are slimming down the pool pass system this year with details in the dues letter. I hope to see all of you there!

Yours,

Maximilian Scholz

## CAREFREE POOL NEWS

### NOW ACCEPTING APPLICATIONS!

Carefree Club is accepting applications to hire [Lifeguards](#) for the coming pool season. We open the pool the last weekend in May and close it by the first weekend in September. We are looking for Lifeguards with prior pool experience and the ability to work flexible shifts throughout the summer, though we're willing to make exceptions for school-related obligations. The ideal candidate will have excellent skills in the water and reliable transportation. Successful applicants will also be considered for swim lesson positions that provide extra pay and extended hours. Prior experience is a major plus. Click [HERE](#) for more details and to apply for a lifeguard position.

The Carefree Club is also looking for a [Pool Manager](#). This position is responsible for everyday operational tasks at the Carefree Club Pool. The Pool Manager supervises the lifeguard staff and ensures pool operation by completing regular maintenance. Click [HERE](#) for more detailed information and to apply for the Pool Manager position.

### UPDATES!

The Carefree Board of Directors is anticipating regular operation for the 2021 season. Check the [website](#) regularly for the most up to date information as we approach opening day.

# CAREFREE CARES NEWS

We NEED your help!  
**CAREFREE CARES**

Carefree Cares is an initiative developed to assist our neighbors and local community through different programs organized by the Carefree Activities Committee.

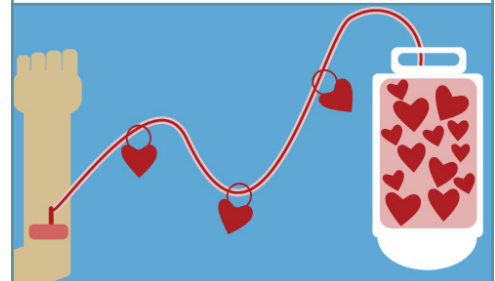

The Carefree Cares program seeks volunteers to support our neighbors in their time of need, give back to our community where we can, and to spread compassion and kindness at every available opportunity.

Do you see a neighbor who could use the support of Carefree Cares? Is there a neighbor who needs help shoveling snow, mowing their lawn or rides to the grocery store? There is no limit for requests.

To submit a request or to volunteer your time, please email [carefreecares@carefreeclub.org](mailto:carefreecares@carefreeclub.org)

## BLOOD DRIVE

American  
Red Cross

As part of the Carefree Cares initiative, the committee organizes a quarterly blood drive at the Clubhouse.

Please consider donating blood to the American Red Cross at our next event:

Carefree Cares and the Grounds Committee are working together to bring a day of neighborhood clean up in recognition of Earth Day!

The committees are planning to target key areas around Carefree in preparation for the spring and summer months. Details of the days events will be shared on Carefree Club's [website](#) as well as the Carefree [Facebook](#) Page. Check back regularly for more up to date information.

If you have recommendations or suggestions on target areas, please reach out to [Robert Overton](#) or [Penny Inskeep](#) with the Grounds Committee.

# ACTIVITIES COMMITTEE NEWS

## NOTE FROM ACTIVITIES COMMITTEE...

The Activities Committee have been busy planning a number of events (in respect to being socially distant) to encourage community in our neighborhood. With more people being vaccinated for COVID, we are hoping to have more in person events as the weather begins to get warmer. Be sure to stay up to date on our activities and events by checking out the [calendar](#) on Carefree Club's website.

## VIRTUAL PURSE BINGO

The last Virtual Purse Bingo was a HUGE success! So, we are excited to have another one! With [National Foster Month](#) coming up in May, we will be hosting another round of Virtual Purse Bingo to help support a family in Carefree South. Click [HERE](#) for more info!

**The Carefree Activities Committee is hosting a Spring Virtual Purse Bingo!**

May is National Foster Care Month, which is a time to acknowledge families who help children and youth in foster care find permanent homes. The proceeds will help support one of our very own families in Carefree South, the Cline family. The Cline family has been fostering kids for the last several years. They are currently in the process of fostering to adopt an eight-year-old girl who has been in the foster system for the last six years. In conjunction with the Carefree Cares initiative, we would like to take the opportunity to celebrate National Foster Care Month by sponsoring the Cline family to support in their journey with foster care, adoption, and the post-adoption experience.

# Get to Know Your Neighbor!

## The Goff Family

CAREFREE SOUTH

Ashley, Amelia, Bill & Aurora

### Who is the Goff Family?

Bill is an insurance agent at Gregory and Appel and an avid golfer. Ashley owns and operates "Card My Yard Indianapolis-South" and enjoys baking and working in the garden. Aurora, age 8, is an active girl scout and dances at Stage I Academy with their Performance Crew. Amelia, the youngest of the Goff family at age 5, also dances at Stage I.

### When did you move into Carefree? How has it changed since then?

*"We moved to Carefree in August of 2018. We loved the community feel of the neighborhood immediately, and have been so impressed with how everyone came together during Covid. Our Carefree neighbors and the Activities Committee have planned so many fun events, the sense of a community feel has ramped up even more since moving to Carefree!"*

### Do you have any family pets? If so, can you tell us a little bit about them?

*"We have two cats, Turtle and Lady. Turtle, (named for her tortoise shell markings) was a friendly outdoor cat that we bonded with before realizing she was pregnant. We spent the summer of 2019 caring for her three kittens, and kept one for ourselves. Turtle was injured outside and had to have her tail amputated, so she officially became an indoor cat after that! Lady is Turtle's kitten that we kept."*

### What do you like about the Carefree Community?

*"We love the mature trees and the style of houses. I love that every house is a little different, which you don't see in all neighborhoods! We also love the Pool and Clubhouse facilities and really enjoy the events the Club organizes."*

### How does the Goff family spend their downtime?

*"We love to go to the beach! Anytime we can find a reason to go we are there!"*

### What is something about your family others would find interesting?

*"Ashley's parents and two sisters live in Center Grove as well. Her younger sister actually lives in Carefree North!"*

### During the COVID quarantine, like most families, we spent a great deal of time binge watching shows on Netflix. What is your most recent binge series?

Bill & Ashley: WandaVision, Watchmen & Schitts Creek.  
Aurora & Amelia: We Can Be Heroes, Gravity Falls & SheRa

### What favorite meal or restaurant brings the Goff family around the dinner table?

*"We love burgers from Campbells Highland Grill and anything from Don Cuervos."*

### If your family could choose anywhere in the world to vacation, where would it be and why?

*"We would love to go to Southern California. We went years ago when the girls were little, and had planned to go again last fall but had to cancel the trip due to the Coronavirus."*

### Does the Goff Family participate in any charity, social or community service club or organizations?

*"Bill is secretary of the Indiana Association of Wabash Men Board. Ashley is the leader of Girl Scout Troop 4815."*

### When you look out your window what do you see?

*"Our back windows look out into the woods at the back of our lot. Depending on the season there are birds and squirrels out, and flowers that someone planted years ago that come up throughout the season."*

### In regards to Carefree events, what has been your family's favorite event that you've attended or an event you're looking forward to attending?

*"The Fourth of July Parade and Pool Party were our favorites! Ashley also loved Bunco, and was the big winner when she went. She is also looking forward to the next purple bingo in May."*

## The Turner Family

CAREFREE NORTH

Jonnie, Angel, Kirk &amp; Maddax

### Who is the Turner Family?

Kirk is a Lead Mill Adjuster for Steel Dynamics, Inc. Angel, a hair stylist, is co-owner of A&B Hair Studio in Ole Town Greenwood. Together, they enjoy being outside, hanging poolside with friends, making their yard pretty and doing home improvements. Maddax, 16, is a junior at Center Grove High School. Like most teenage girls, Maddax likes to spend her free time with her friends. Jonnie, 14, who is famous around Carefree North for his personality and kind heart, is part of the swim team for Middle School North (who just came home with a big win at County), and a shot put and discus thrower for the track team. Most summer days you will find Jonnie at the Carefree Pool from the time practice starts until the pool closes.

### When did you move into Carefree? How has it changed since then?

*"We moved to Carefree in April of 2010. We've seen a number of changes from the new signs at the entrances, which are so nice, to a new fence around the pool, painted basketball courts and new playground equipment. We've also seen a lot more neighborhood functions in the last few years, (besides 2020), than we have in the past!"*

### Do you have any family pets? If so, can you tell us a little bit about them?

*"In the past we've had dogs, Sarge (Boston Terrier Chihuahua), was known for escaping every single day and running the neighborhood, and Dino, our Great Dane, he was known for his size and his bark. We currently have two cats, Odin and Ragnar. (Yes.. guilty we are Viking fans) these are the weirdest cats, they are like dogs trapped in cat bodies."*

### What do you like about the Carefree Community?

*"The neighborhood is quiet, clean and mature. We love that our neighbors all look out for each other. We also enjoy all the activities the club organizes."*

### How does the Turner family spend their downtime?

*"Just chillin and hanging out."*

### What is something about your family others would find interesting?

*"Kirk doesn't think we are very interesting people."*

### During the COVID quarantine, like most families, we spent a great deal of time binge watching shows on Netflix. What is your most recent binge series?

*"We've recently binged on Bloodline, Ozark & Cloud Nine."*

### What favorite meal or restaurant brings the Turner family around the dinner table?

*"Homemade Chicken PotPie is a family favorite as well as Tater tot Casserole."*

### If your family could choose anywhere in the world to vacation, where would it be and why?

*"Tahiti, over the water in a bungalow... because why not!?"*

### When you look out your window what do you see?

*"Right now as I look at look out the window, I can see our neighbors. But, when the trees are in bloom all we see is nature, and it's so peaceful."*

### In regards to Carefree events, what has been your family's favorite event that you've attended or an event you're looking forward to attending?

*"We love all the events, but I think our favorite is the big cookout in July."*

## BUFFALO CREEK CLEANUP

As you may have noticed, an attempt was made to stop the creek bank's erosion near the property's playground equipment. Unfortunately, the good intentions have created a violation of state and federal requirements for maintaining a waterway.

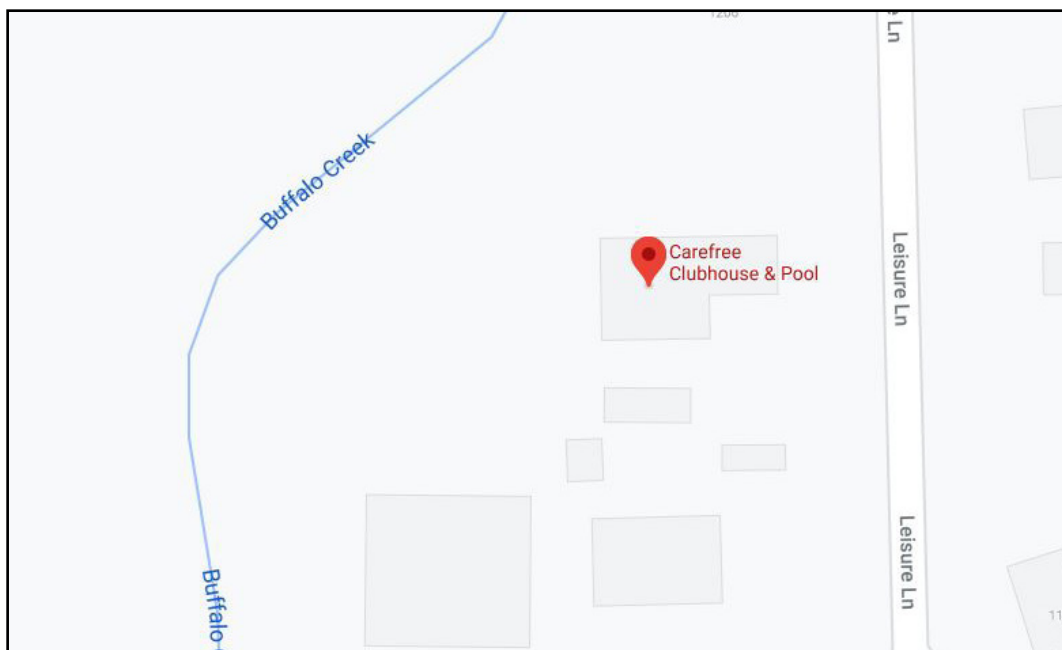

The Grounds Committee will remove the concrete and asphalt paving from the creek to clean up the current condition. In hopes of using Carefree member volunteers and their wheelbarrows, we will remove the waste material from the creek bank and place it in the dumpster a little at a time.

Republic Services has permitted us to use up to 15% of the dumpster volume for each scheduled pick-up for the creek's waste material. According to the trash pick-up days, the Grounds Committee will schedule times to move the material to the dumpster. If you are interested in helping (and showing off a little muscle), please send an email to [grounds@carefreeclub.org](mailto:grounds@carefreeclub.org). Removing some of the material and carrying it to the dumpster will be on the agenda for Earth Day Cleanup as well.

The second facet of this problem is the water's increased volume and speed at the creek's S-curve. We contacted the project designer regarding the widening of County Line Road (more about that later.) We hope to have the design team address the issue

while the Buffalo Creek bridge is being renovated. It seems that with the development of Perry Township in Marion County, the water from roads and pavements that previously soaked into the ground are being directed to the creek more quickly than before. Some of you may recall the flood in 2008 that covered County Line Road, the Carefree North entrance, the clubhouse's parking lot, and the clubhouse itself. Fingers crossed that we can address the repairs north of County Line Road to reduce the curve's water rate. Moving forward, the better and easier it will be to handle.

Lastly, the Grounds Committee is in the process of addressing the erosion of the soil near the playground. We are in contact with several Civil Engineering firms qualified to design a solution for the creek erosion. The committee would like to suggest that an intern, or interns, might study and develop a solution to the problem and present the solution as part of their training. This solution will address our erosion concerns without placing our neighbors' banks across the creek and downstream in jeopardy. If a club member has a connection or erosion system experience, please send an email to [grounds@carefreeclub.org](mailto:grounds@carefreeclub.org).

## HELLO!

The Welcome Committee hosted a meet & greet at the Carefree Clubhouse on Tuesday, March 16th. The meet & greet is a quarterly event to welcome new homeowners in the Carefree North & Carefree South communities. The Welcome Committee is dedicated to making sure all new residents of Carefree are greeted and kept informed of all the wonderful advantages of living in our neighborhood.

Welcome letters were sent to all new homeowners to invite and encourage them to connect with their neighbors and the Carefree Board of Directors at the Clubhouse. The meet & greet is an event where you can get all the information about our fabulous community and its offers.

If you are a new homeowner in Carefree and missed the meet & greet, no need to worry, you can reach out to [Penny Inskeep](#) or [Ashley O'Neal](#) to get the information that was shared the day of the meet & greet.

Big things are happening in the Welcome Committee. We are building our "Welcome Task Force" by joining forces with the Activities Committee. Together, we will collaborate on how to make our newest residents feel welcomed and included.

If you would like to be part of the Welcome Committee, feel free to reach out! We encourage members to participate in all things Carefree Club!

## CAREFREE CROCODILES SWIM TEAM & LESSONS

The Carefree Crocodiles Swim Team celebrates its 47th year, offering recreational programming for children ages 5-17 from Greenwood and the surrounding communities. Registration will be open in early April for an opportunity for children to "get their feet wet" with a splash of competitive swimming.

Our team members practice for one hour, four times a week, at the Carefree Club Pool. Practices are in the mornings on Monday, Tuesday, Thursday, & Friday. The season begins the first week of June and ends July 11th.

While the program has made some great changes, we have kept all the things that make Carefree an outstanding place for you and your kids to spend your summer.

The Crocodiles can still look forward to:

- Best coaching in the state!
- Swim in one of the best outdoor facilities in the city!
- Free t-shirt for each swimmer!
- Donut Fridays!
- Ice cream social!
- 6 fun, competitive swim meets!
- Awards banquet with a cookout and the ever-popular Parent-Kid Relays!

Most of all, we are keeping all the FUN that makes being a Carefree Crocodile great!

We are also excited to offer SwimAmerica™ swim lessons to children ages 5 and up. Lessons are designed for both the novice swimmer and those children who wish to improve their strokes. Swimmers will progress through ten levels designed to teach water safety, introduce and perfect swimming fundamentals, and enhance stroke development.

Swim lessons are directed by Marcie Colwell, SwimAmerica™ Program Director and the Swim Coach for the Carefree Crocodiles. Marcie is joined by trained high school and college-age students who provide close supervision and detailed SwimAmerica™ instruction to our young swimmers. Five weekly sessions will be offered starting June 14, with lessons on Monday, Tuesday, Thursday, and Friday. Swim lessons will be offered at 9:30 a.m. and 10:15 a.m. Registration will be open in early April. See our Q&A page for more information about lessons.

COVID protocols will be in place to provide as much protection as possible for our young swimmers. More details will be available shortly.

Information and registration for the swim team and lessons will be available in early April on our website.

BY: JACQUELINE CLINE

## BLIZZARD 1978

Charlotte, James, and three teenage children were original homeowners that moved to Carefree in August 1975. The family transferred from the St. Louis area and were initially looking for their forever home on Indianapolis's Northside. After many visits to Indiana, James and Charlotte were giving up hope. Charlotte returned back to St Louis with the children, while her husband stayed behind in hopes of finding that perfect home.

After a lengthy search, their realtor at the time mentioned a lovely neighborhood on the southside of Indianapolis. James and the realtor (Carlos Diaz's father, the 13News Anchor) went to scope the area. He called Charlotte to tell her that he not only found their home. But, had purchased it! Charlotte, shocked because she had never seen it, laughs as she recalls nothing but cornfields and stop signs along S.R. 135 at the time. As Charlotte reminisces the history of her life with her family in Carefree, she remembers the drive-in movie theater, currently Orchard Golf, as a favorite family activity.

Charlotte recalls the blizzard of 1978. With 5 inches of snow already on the ground, the blizzard brought another 15.5 inches of snow (20 inches total) and buried Indianapolis in a snow-covered mess.

"There were many times we thought about downsizing. Then we would come back home and say, "We just love it here." I love that the properties are kept up, and I love my neighbors. I also enjoy seeing younger families move in around us." says Charlotte.

#### CAREFREE IS NOT AN HOMEOWNERS ASSOCIATION

The Carefree Club is a club that oversees the pool, clubhouse, tennis and basketball courts, and playground area. The Club is NOT an HOA and has no jurisdiction over property-related issues other than Club dues. The dues are associated with the facilities mentioned. All property-related questions or concerns should be directed to the county or Sheriff's department.
