Pool Updates

It's been another great summer at the Carefree Pool! Improvements that were underway in the spring were completed and the pool opened on time looking great. A special thanks to our Pool Committee for keeping our facility beautiful and running smoothly all summer! Here are some highlights of all their hard work.

Both the baby pool and the main pool got a fresh paint job. New sand filters were installed and have kept the pool water looking good.

An updated system for pool passes was rolled out. Now that we have converted to this new system, your pool pass will transfer from year to year. **Please remember to hang on to your pool pass for next season.**

We also had a great group of lifeguards on staff this summer and appreciate their hard work.

The Pool Committee is looking for volunteers to help with the operation of the pool for next season. If you are interested, please contact the [Pool Committee](#).

Pool Committee: Ashley O'Neal, Jackie Lee, Kristie Kitchen and Chrissy Sturm

See you at the pool!
