FAQ'S

10 Rounds of Bingo!

What is Purse Bingo?

Purse Bingo is just like regular bingo. The host/caller of the game will read (at random) numbers & letters.

How will it work virtually?

After payment is received, a link will be sent via private Facebook Message or Email with instructions on how to play the game virtually.

Can I purchase additional bingo cards?

Yes, for additional chances at winning, Bingo Cards can be purchased at \$5 extra per board.

Prizes

Each round of bingo has a winner. That winner wins a handsome new designer purse!

Claiming Your Prize

Claiming your purse will be arranged individually with each winner.

How will I know what prize I've won?

Before each round of bingo, the prize for that round will be shown on camera.
