Special Thanks to our Volunteers:

-

 - Bret & Chris Robinson and Jamie Hawkins for serving as the tellers committee for the ballot count
 - Cindy Werres for helping with the planters

Note from the President

The club property looks especially beautiful now as we get ready for the start of our busiest season. The clubhouse will be hosting plenty of graduation open houses, bridal and baby showers. The playground will be full of children, and we'll see if we set another one-day attendance record at the pool this summer.

Please remember that Johnson County has a leash law, so any dogs on the club property need to be on leashes.

I've said before that we have board members that really contribute to keeping the common property clean, nice looking and in good condition. Steve Wisdom, our clubhouse chairperson, is featured in an article in this newsletter. I hope you enjoy the additional insight into one of our board members.

Lastly, the ballot to amend the club's by-laws did not pass. We appreciate the members who voted and allowed us to reach a quorum with the first round of ballots. While some of the proposed amendments would have been helpful, the board will still be able to function in an efficient manner. The support that many of you gave to the board during this time is appreciated.

Hope to see you at the pool this summer!
Linda Stemnock

Meet Your Carefree Neighbors

Steve & Cheryl Wisdom

Steve is a current board member that has been the Clubhouse Chairperson since 2009. He is responsible for scheduling activities at the clubhouse, which includes rentals. That involves maintaining a calendar of events, issuing contracts, collecting receipts, as well as overseeing the maintenance of the facility. He has been engaged in most of the recent improvements: remodeling the kitchen and refurbishing the common area (modernizing it from the dated 1970's) – all while being a good steward by keeping expenses well under budget. He has received many compliments from members who appreciate the amenities when they rent the clubhouse. He and his committee have updated the ancient HVAC system.

Steve and his wife Cheryl have lived in Carefree for close to fifteen years; they love the neighborhood. Steve considers the clubhouse/pool facilities as a place to bring the residents together in a spirit of community. His favorite part of his job is watching the folks as they enjoy the common areas with family, friends, and neighbors.

Pool News

The pool opens Saturday, May 25th at 11 a.m. We're looking forward to another great swim season. Please take a few minutes to read over the pool rules available at <https://www.carefreeclub.org/Pool>. Here is a Cliff Notes version (but really, please read the entire set of rules):

- You must have your pass or tag each time you come to the pool.
- Children old enough for a tag or card will not be counted as a child on their parent's card, so they will need to bring their tag or card to check in.
- The pool manager and lifeguards are in charge at all times.
- Children under age 3 are not allowed in the main pool. This includes sitting on the stairs or gutters. Swim diapers are not leak proof and an accident will close the pool for several hours.
- Parent/guardian must remain at the baby pool while their child is in the pool.
- Diving is only allowed in the deep end. Anyone using the diving board must be able to jump straight off and swim unassisted to the ladder.
- In case of thunder or lightning, both pool decks will be cleared immediately.
- No glass containers anywhere once you enter the main gates to the pool.
- The entire property is smoke-free, including e-cigarettes.

Water Aerobics

Once again we'll be offering water aerobics this summer. There is no cost and the classes are open to members and their guests. No experience necessary and no registration required – just show up for the days that work for you. This is a great way to get your workout done and meet some new friends. A nice group has formed over the past few summers, and we meet for dinner a few times during the off-season to keep in touch. During June and July the schedule is Monday/Wednesday/Friday from 10-11 a.m.; Tuesday/Thursday 6-7 p.m. The schedule will also be posted at the pool so you know which instructor is teaching the class. The August schedule will depend on the availability of the instructors and will be posted at the pool. Hope to see you there!

Garden Volunteers Needed:

If you would like to help out by spending an hour a week weeding the gardens on the lower deck during June, July and August, please send an email to board@carefreeclub.org with Garden Volunteer in the subject heading. We are looking for a volunteer for each month. While we can't pay you for your time, we would like to give a guest pass (for 12 guests) in appreciation for your volunteer hours.

Activities News

Thanks to our volunteers and the hardy souls who came to our Easter egg hunt. The weather didn't cooperate, but the kids still had a good time.

The Activities Committee will be working on adding a few new events this year. Information will be posted on our website, the club calendar and in an email closer to each event. Thanks to everyone who responded to the survey regarding what events were of interest to the membership. If you would like to help plan/work any of the activities, please respond when the information is posted. Special appreciation to the members of our Activities Committee: Chris Cummins, Terri Wagoner, Shirley Frye, Elizabeth Pettingill, Lisa Mills and Andy Stephens.
