This and That continued....

Dogs at the Facility, By Mitt Denney: My family has 3 dogs and a cat. We are well acquainted with the messes and cleanup associated with pets. Currently, Carefree Club is pet friendly and the Board thanks everyone who cleans up after their pet while walking them on the grounds. So do I since I bring my five-year-old daughter down to facility regularly. However, we ask you to take your filled bags home with you. I receive weekly complaints from members using the tennis and basketball courts regarding the pet waste odor from the trash can. There are several non-Board members who also assist with emptying the garbage cans, who do not find the odor pleasant either. Another problem is with vandals dumping out the trash and the bags of pet waste. Someone has to clean that mess up. *So please help Carefree remain pet friendly and take your doggy doo with you.*
